

The screenshot shows the ISI/STN software interface. At the top, there are five buttons: "Search", "List", "Browse", "Queue", and "Clear". Below these is a "DBs" field containing the text "USPAT, US-PGPUB, EPO, JPO, DERWENT, IBM, TDB". To the right of this field is a checked checkbox labeled "Highlight all hit terms initially". The main display area is a large white rectangle with the text "297/391" in the top left corner. At the bottom of the window is a taskbar with icons for "ISI", "ISI & R ...", "Image", "Text", and "HTML".
